Program: Mike Burch- Fabulous Floral Design!

Enjoy watching and learning from Mike as he develops a wide variety of designs for many occasions! ALL will be raffled off at the end of the program. Mike will have a boutique set up for us filled with items he carries in his shop- Potomac Floral Design of La Plata. Plan to visit his shop and our other vendors when you attend.

Mike's love for flowers started in 1976 at the age of 14 when he attended Ryken High School. He started off as a delivery driver for Karen's Florist in Waldorf, MD and worked his way up to designer. As his experience grew, he worked at several florists in the Maryland and Northern VA.

In 2019, Mike and his cousin David opened Potomac Floral Design, now the only florist shop in LaPlata.

Mike has had the privilege of designing events for such esteemed clients as the Vatican Embassy, The Archdiocese of Washington, US Dept of Justice, the JW Marriott Hotel, and The Cosmos club, to name just a few. His favorite parts of the floral industry are events and wedding design.
