

Crofton Village Garden Club

“To Promote and Preserve the Beauty of Our Community”

Dear Business Owner,

The Crofton Village Garden Club is hosting its major fundraiser, “*Crofton Garden Tour 2023*”, on Sunday, May 21, 2023, from 11:00AM-4:00PM. Our hope is that you will support our effort to raise money to maintain the community gardens throughout Crofton in addition to our many special projects. These gardens include the Blue Star Memorial Garden at the entrance to the Crofton Library which honors the members of our community who have served in the Armed Forces, the Pollinator Garden, on the grounds of the library, that supports bees and insects necessary for a balanced ecosystem, and the Native Plant Garden on the side of the library, that is a host for many beneficial native insects. These three gardens are only a few of the many gardens our club maintains within Crofton.

This year we are happy to announce a new benefactor of our fundraising efforts. The Environmental Club at Crofton High School will be the recipient of an annual grant to support their club.

The many Crofton Village Garden Club programs that depend on our fundraising efforts also include:

- The more than fifty cherry trees that have been planted along Crofton Parkway
- Quarterly events at local assisted living centers
- Annual Veteran’s Day distribution of floral arrangements to veterans in local assisted living facilities
- Partnership with Hospice of the Chesapeake and Trader Joe’s where members create floral arrangements that are distributed to hospice patients.
- Providing wreaths for the Village Square, and six local schools during the month of December
- Supporting and maintaining Swann Park and the newly planted trees at the library

Thank you for helping us in our fundraising efforts. For more information on our many projects, please visit our website at www.croftonvillagegardenclub.com.

Your advertisement will appear in the Garden Tour Booklet that each attendee receives. The promotion of your business will be impactful; our previous tour resulted in the distribution of more than 500 booklets to active members of the community.

Sincerely,

Cathy Gallagher
